Making Flapjacks

You could make some flapjacks out of your porridge oats. Here is a very simple recipe you might like to try.

Fast Flapjacks | Easy Flapjack Recipe from Mary Berry

A go-to easy flapjack recipe from Mary Berry. The medley of butter, demerara sugar, golden syrup and oats can be added to with extra flavours and toppings. These flapjacks are crunchy and traditional. Take care not to overbake them, as they can become hard and dark.
