

BEYA Governing Body

Dear Parents and Carers,

We are looking for **three** new people to join our Governing Body, and would love to hear from parents, carers and members of the wider community.

Our governors help to guide the future of our Nursery Schools. They make sure that children are safe, happy and learning well, and that the school is well run and financially secure.

You do not need any special qualifications or experience to become a governor. What matters most is that you care about children and families, and that you want to help make BEYA the best it can be.

What does a governor do?

As a governor you would:

- Attend one meeting each term (usually in the evening)
- Visit the school once a term to see how things are going
- Take part in safeguarding training
- Read some information and reports so you can take part in discussions

You will receive training, a clear induction, and a mentor to help you learn the role.

Why become a governor?

Many people find that being a governor helps them:

- Feel more connected to their child's school
- Learn new skills and gain confidence
- Understand how schools work
- Use their knowledge and skills to make a real difference to children's lives

We are keen to hear from people with a wide range of life experiences and backgrounds.

We would also love to hear from anyone with building /health and safety knowledge.

How to apply

If you are interested, please complete and return the short nomination form by **Friday 30th January**

If more than three people apply, we will hold a simple vote.

If you would like to talk to someone first, or if you are not sure whether this is right for you, please get in touch.

Please also share with anyone who may be interested

Warm wishes,
Kelly Brooker
Executive Headteacher

GOVERNOR NOMINATION Jan 2026

Full name

Name of child/ children (if applicable)

Accompanying Statement (200 words max)
